Criando uma conta gratuita no Databricks

1. Acesse o site pelo seguinte link: <https://www.databricks.com/learn/free-edition>

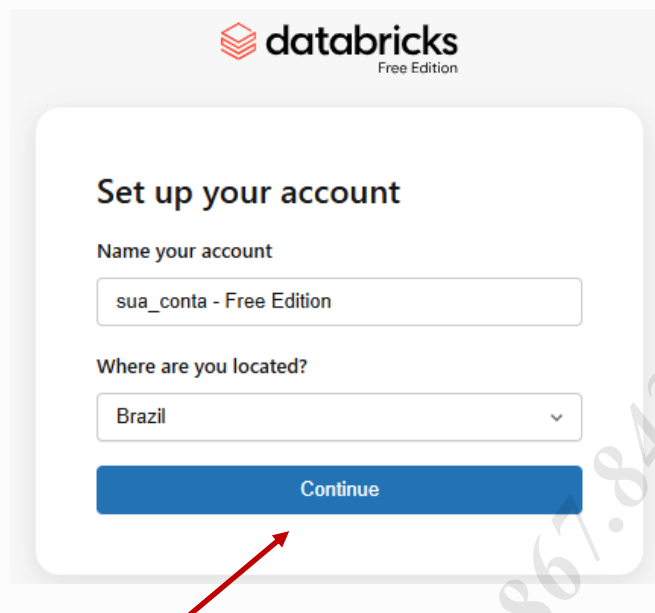

2. Clique em **Sign Up for Free Edition**

3. Escolha a forma preferencial de cadastro

4. Na tela a seguir, clique em continue

The image shows the 'Set up your account' screen for Databricks Free Edition. At the top is the Databricks logo and 'Free Edition' text. Below is the heading 'Set up your account'. There are two input fields: 'Name your account' with the text 'sua_conta - Free Edition' and 'Where are you located?' with a dropdown menu showing 'Brazil'. A blue 'Continue' button is at the bottom, with a red arrow pointing to it from the bottom left.

5. Realize um simples desafio para verificação de conta

The image shows the 'Proteger a sua conta' (Protect your account) screen. It features a shield icon with a checkmark at the top. Below is the heading 'Proteger a sua conta' and the text 'Resolva este desafio para sabermos que é uma pessoa' (Solve this challenge so we know you are a person). A dark blue button labeled 'Iniciar desafio' (Start challenge) is in the center. At the bottom is a headphones icon and the word 'Audio'.

6. A seguir, responda ao questionário. A opção com “**Learn data and AI**” alinha-se ao nosso objetivo. Depois, selecione os tópicos (exemplo: Data Science). Por fim, clique em **continue**
